

them. Let me start with the good news. The good news is that there is a high probability that we can complete our work some time this evening or early tomorrow morning, depending on how well things go.

The bad news is that, in order to do that and have tomorrow off, we would have to be willing to work late and work our way through this.

Mr. Speaker, in just a few minutes, the distinguished chairman of the Committee on Appropriations will be filing the MILCON conference report and be asking unanimous consent to take it up. Assuming that his unanimous consent request is agreed to, then go directly in that bill and complete that bill as time requires.

Then following the completion of that work, we would take up the doctors' collective bargaining rule and then move right on to that bill; and upon the completion of that bill, our work would be completed.

It is, of course, my fondest hope and my expectation that the unanimous consent will be agreed to. If for some reason that is not the case, we would then go to the doctors' collective bargaining rule and continue to work on our best effort to get the MILCON conference report to the floor right after we complete the rule. We would then, of course, finish up the evening with the collective bargaining.

The urgency here is that we need to complete the MILCON conference report, make it available for the other body for their consideration in the morning. So we will build our remaining schedule to the evening around the fate of that unanimous consent. That is the announcement.

#### MAKING IN ORDER ON OR BEFORE FRIDAY, JUNE 30, 2000 CONSIDERATION OF CONFERENCE REPORT ON H.R. 4425, MILITARY CONSTRUCTION APPROPRIATIONS ACT, 2001

Mr. YOUNG of Florida. Mr. Speaker, I ask unanimous consent that it be in order at any time on or before the legislative day of Friday, June 30, 2000, to consider the conference report to accompany H.R. 4425; that all points of order against the conference report and against its consideration be waived; that the conference report be considered as read when called up; and that H. Res. 540 be laid on the table.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Florida?

Mr. OBEY. Mr. Speaker, reserving the right to object, I yield to the gentleman from Florida (Mr. YOUNG) so that he may briefly explain to the Members what this is all about.

Mr. YOUNG of Florida. Mr. Speaker, I thank the gentleman for yielding to me. The purpose of the unanimous consent is to expedite the business of this House. We passed in this body the supplemental on the 30th day of March, and it has been hanging out there now until today. It has been a work in progress. We have been working diligently to cover every possible issue that we could with a limitation on the amount of money available.

Now, here is the problem, and here is why we need to expedite this. We are recessing for the 4th of July recess. The Army, as well as the other services, has the biggest problem because its money for the fourth quarter has been spent in Kosovo and other deployments.

It is essential that this money be replaced before the Army has to stop driving its trucks or the Navy has to tie up its ships or the Air Force and the Marine Corps have to stop flying their airplanes.

It is essential that we move this conference report through the House tonight in order for the Senate to take it up tomorrow before we all get home for our 4th of July activities. That is the reason that we are trying to expedite this through a unanimous consent request.

Now, there probably will be some parts of this bill that someone does not like, but that is always the case. We need to move this conference agreement. I hope that no one will object to us taking it up so we can debate it and move it on to the Senate.

Mr. OBEY. Mr. Speaker, further reserving the right to object, let me simply say that there are large portions of this bill to which I am strongly opposed, as the gentleman from Florida knows, including the Colombia aid package. I have expressed my view through my votes as this has gone through the process.

I feel it is my institutional obligation, even though I continue to be opposed to large sections of this, to at least facilitate the House's ability to work its will. There will be, I am sure, a rollcall vote on final passage so Members will express themselves.

So in the interest of moving the House forward more quickly, I do not intend to object.

Mr. Speaker, I withdraw my reservation of objection.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Florida?

Mr. COBURN. Mr. Speaker, reserving the right to object, I think we need to ask ourselves, there is no question there are significant needs in this bill. But we are getting ready to vote on a

bill that is \$2.7 billion larger than the bill we voted on before. Nobody in this body outside of those in the appropriations process is going to be privy to what is in this.

The question will be, do we know what we are voting on? The answer to that is no. If my colleagues feel very comfortable in spending \$11.2 billion and not knowing where the money is going, then we should take that up.

I will not object, but I think we are doing a disservice to the people of this country. I also might note that in this appropriation bill is \$105 million in both the Senate and the House to sprinkle around for us, just \$105 million each; \$105 million for pork projects or otherwise. My colleagues are not going to know where it is, but they are going to vote for it whether they agree with it or not.

So I will withdraw my reservation, but I think the process, even though well-intended, will create major problems for us here forward.

Mr. Speaker, I withdraw my reservation of objection.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Florida?

There was no objection.

#### GENERAL LEAVE

Mr. YOUNG of Florida. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks on the conference report to accompany H.R. 4425 and that I may include tabular and extraneous material.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Florida?

There was no objection.
